

Conditions for postponement and putting on hold membership.

As a member (with 6- or 12-months continuous membership) at Røykenbadet, you have the opportunity to postpone or put on hold your membership under the following conditions:

1. You can put your membership on hold for up to 2 consecutive months during a calendar year if you have a 6- or 12-months previous membership also during the binding period.
2. You can postpone your membership on the following reasons:
 - Illness or injury that can be documented by a doctor's refusal for his patient to exercise during the applicable period.
 - Pregnancy; which means that you cannot or do not want to exercise. Valid up to 3 months after the pregnancy period
 - Work, studies or military service at a distance of at least 60 km from Røykenbadet, or which is so far away from Røykenbadet that it makes it difficult to make use of the facility and is documented for the period in question.
3. Postponement for pensioners on holiday abroad (see separate form)
 - If you want to postpone or put your membership on hold, you can apply in two ways:
 - 1: Contact the reception who will assist with filling out the application form for postponement. Remember to attach documentation confirming that you meet the conditions for postponement where they are required.
 - 2: Send an email to post@roykenbadet.no and provide the following information:
 - Given name
 - Surname
 - Date of birth
 - Phone number
 - Required period for postponement

Within one week, you will receive a response to your application with a confirmation of the postponement period. The postponement period is not valid without this confirmation.

NOTE: Application for postponement must be sent as soon as possible and no later than 3 weeks before the start of the postponement period

Postponement or putting on hold your membership, cannot be given retroactively. During the postponement period, membership fees will not be charged and the membership bracelet will be blocked for access to Røykenbadet.

If the member is within the binding period of a membership, the period will be extended corresponding to the postponement or pause period.
